To All Dallas County Voters:

I want to take this opportunity to endorse, without reservation and with the highest regard for his integrity, Judge Steve Seider. Judge Seider is running for re-election to the respected and important Justice of the Peace bench in Precinct 3, Place 2.

I have known Judge Seider for well over 20-years, as both a Dallas County Assistant District Attorney, and as a jurist. He has always been exceptionally fair and he treated each person he met with deep respect, compassion, and empathy. Although I've not won every criminal case I tried against Steve, and lost cases in his JP Court, I always left the courtroom knowing that Steve's watchwords were honor, sincerity, and respect.

The citizens of Dallas are served exceptionally well having Judge Seider on the bench. I urge every citizen to vote on November 6th. Voting is the most important of our civic duties. While I urge every citizen to vote for his or her choice of candidate, I believe firmly that your very best choice for Justice of the Peace is Steve Seider.

Sincerely,

Gary P. Krupkin, Esq.
